

Census Bureau's "Count Question Resolution Program" for Census 2000

List of corrections to the Census 2000 population and housing counts for towns in Missouri as of January 2003

Produced by the Missouri Census Data Center, Missouri State Library, Office of the Secretary of State (telephone: 573-526-7648; Web address: <http://mcdc.missouri.edu>)

Information about the Count Question Resolution Program is posted on the Census Bureau's website at: <http://www.census.gov/dmd/www/CQR.htm>. Click the "notes and errata" link to view a current national list of all Census 2000 corrections issued by the Census Bureau.

*To view a list of all towns within county and their corrected counts, see
<http://mcdc.missouri.edu/census2000/2000cqrpop.xls>.*

Bellefontaine Neighbors (St. Louis County), MO

The original Census 2000 tabulation for Bellefontaine Neighbors was 4,550 housing units and a total population of 11,271. **The corrected count for total population is 11,088, a reduction of 183 persons.** No change in the housing count.

Bowling Green (Pike County), MO

The original Census 2000 tabulation for Bowling Green, MO was 1,420 housing units and a total population of 3,260. **The corrected count for housing units is 1,436, an increase of 16 and the corrected count for total population is 5,166, an increase of 1,906.**

Cameron (DeKalb* and Clinton counties), MO

The original Census 2000 tabulation for Cameron was 2,540 housing units and a total population of 8,312. **The corrected count for total population is 9,788, an increase of 1,476 to the DeKalb County part of Cameron.** No change in housing units.

*Note: The Cameron correction involved a prison completely missed in the original count, therefore the DeKalb County and Missouri totals also increased by 1,476. This moves the DeKalb County population in 2000 from 11,597 to 13,073, and the Missouri 2000 population from 5,595,211 to 5,596,687. No Count Question Resolution corrections will be shown in standard census reports for Census 2000, but they will be reflected in post-2000 population estimates.

Clayton (St. Louis County), MO

The original Census 2000 tabulation for Clayton was 5,852 housing units and a total population of 12,825. **The corrected count for total population is 15,935, an increase of 3,110.** No change in the housing count.
